

BRÜDER

EXP-8

GO FURTHER, STAY LONGER

The EXP-8 is built to take you to the world's most remote destinations, delivering unrivalled off-road capability with luxury and complete off-grid independence. No matter the season or terrain, experience adventure without compromise.

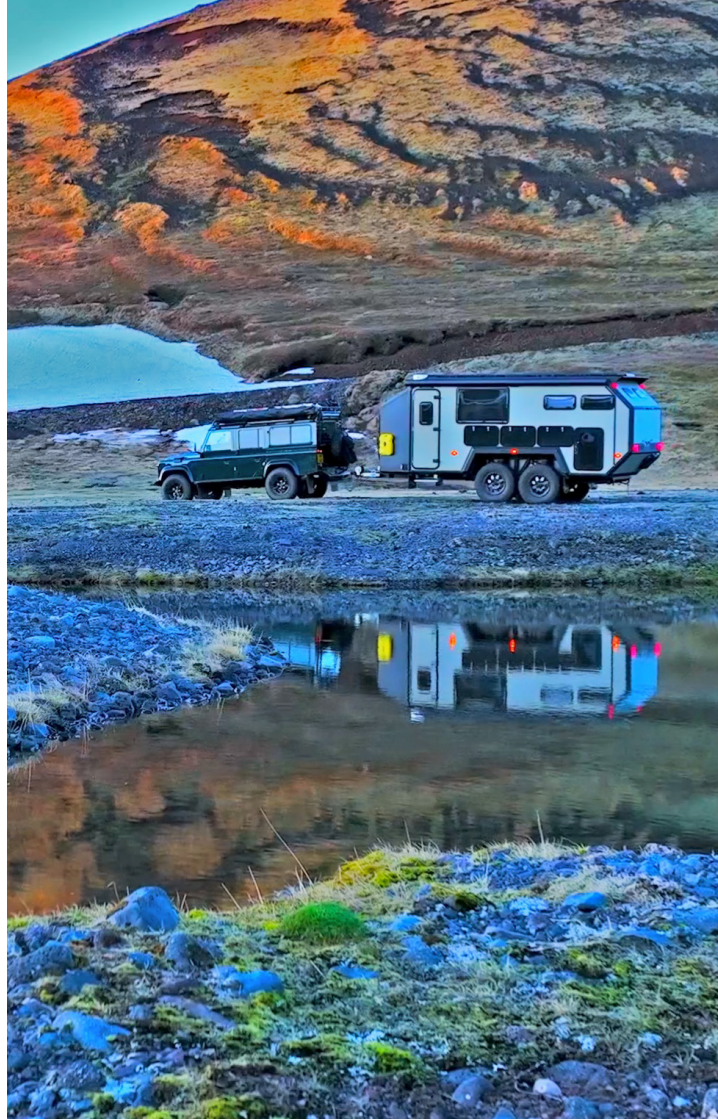

UNRIVALLED EXPEDITION PERFORMANCE

Engineered for extreme terrain, the EXP-8 features cutting-edge patented designs from the ground up. From the suspension to the body cell and state-of-the-art energy systems—every element is crafted for unmatched off-road and off-grid endurance.

INSTANT ADVENTURE

No setup required—our patented suspension with auto-levelling offers 12 inches of adjustability, ensuring a level and stable camp in seconds. Enjoy camping in places others can only dream of accessing.

EXPLORE ANY TERRAIN IN CONFIDENCE

The EXP-8 is certified and engineered to withstand forces over five times its own weight. Our patented suspension offers nearly three times more wheel articulation than any other expedition trailer, allowing the EXP-8 to glide over challenging terrain with ease.

BODY CONSTRUCTION

The EXP-8's body cell is structurally independent of the chassis, mounted on specially designed vibration-absorption points. Certified for extreme durability, it does not rely on the chassis or interior cabinetry for strength. Built for impact resistance and resilience, it thrives in both extreme climates and terrains.

FOUR-SEASON CAPABILITY

Live comfortably in any climate. Designed for year-round adventure, the EXP-8 allows you to cook, shower, and relax indoors while still embracing the outdoors whenever you choose.

COOK IN ANY CONDITION

The EXP-8's indoor kitchen lets you prepare meals in any weather. Fully equipped with an induction cooktop, deep sink, and ample storage, it ensures effortless off-grid cooking while keeping you protected from the elements.

SUSPENSION: IN A CLASS OF ITS OWN

Our patented suspension delivers a smooth, controlled ride over rugged terrain. With over 12 inches of travel—nearly three times more than any other expedition trailer—it absorbs undulations and adapts to a variety of terrains, ensuring safety, stability, durability, and comfort.

DUAL-DOOR ACCESS

Exclusive to Bruder, the dual-door design provides direct access to the wet room for unparalleled convenience. Whether stepping in from Arctic conditions or rinsing off after a beach swim, this feature enhances both functionality and comfort.

PREMIER WET ROOM

Our market-leading wet room boasts one of the largest shower and toilet areas available, providing ample space and comfort for your convenience and enjoyment.

BRUDER 48V ELECTRONIC ARCHITECTURE

Power high-demand appliances with our next-generation 48V system. Integrated with our advanced solar system, it ensures rapid charging, reduced energy loss, and peak efficiency for true off-grid living. Compared to 12V systems, our 48V architecture minimises energy loss and heat generation. The system is also climate-controlled through dual onboard air conditioning. Future-proofed and compatible with evolving technologies, it can even integrate with electric vehicles.

HOME-LEVEL POWER, OFF-GRID

With over 30 kWh of battery storage paired with 1,700W of solar, the EXP-8 sets the benchmark in sustainable off-grid expedition travel.

SUPERIOR CLIMATE CONTROL

Stay comfortable in any environment with our exclusive dual under-bunk air conditioning system, optimised for maximum efficiency.

POSITIVE PRESSURE SYSTEM

Bruder's exclusive positive pressure air filtration system, with two-stage filtration, protects against dust ingress—keeping interiors clean and comfortable in the harshest conditions..

SEAMLESS TECHNOLOGY INTEGRATION

Access all your essentials with a simple touch thanks to the cutting-edge Garmin technology integrated into our system. Manage your suspension, climate control, and reversing camera effortlessly from one convenient interface.

ADAPTABLE LUXURY

The EXP-8's convertible lounge transforms effortlessly into bunk beds, maximising space and versatility—perfect for accommodating children or additional guests.
